Under Construction: Credit Card Payments temporarily not available

Dear Valued Customer,

We would like to inform you that, effective June 24, credit card payments will not be accepted while we complete an upgrade to our payment processing system.

Unfortunately, the upgrade has been delayed, and we are currently working with our provider to resolve the remaining issues as quickly as possible. We sincerely apologize for any inconvenience this may cause and appreciate your patience and understanding during this time.

We will provide another update as soon as additional information becomes available and credit card payment processing has been restored.

If you require assistance with payment or have any questions, please contact our Customer Service Department. Our team will be happy to discuss alternative payment options and assist you with your account. Rock Drill: 800-358-4476 Breaker/Attachment: 800-527-2282

Thank you for your continued business and cooperation.

Sincerely,

Thank you,

Furukawa Rock Drill USA
